To whom it may concern,

I would like to take this opportunity to thank you at Kenmuir Builders and your team for the superb new class building you have given us at The Bliss Charity School.

It was a real pleasure working with your team and the end result is everything we would want from the classroom with excellent quality to the finished building.

I would also like to express our thanks for the courteous and helpful manner that was displayed by your team throughout the project. Despite taking place across two terms, disruption was minimal and the communication was excellent throughout.

We were also delighted that the work was completed well within the specified time agreed enabling us to easily set up for the new term.

If you do need any reference or for us to offer our thoughts on the experience of working with you to any other school, we would be delighted.

Once again, many thanks for the building and for the co-operative and helpful manner of your employees. We wish you all the best for the future.

Yours sincerely,

Chris Scanlan
(Headteacher)
